Warm mid winter greetings to you all. Term 2 has continued to be an eventful one for our students. Opportunities abound for them both inside and outside of the classroom. Some of the highlights have been the wonderful school production of *Beauty and the Beast*, Year 12 and 13 Ball held at the national museum of Te Papa, participation in a wide range of sports, drama productions and music performances.

To keep up to date with academic results, engagement and attendance, please visit our Portal. I encourage you to engage in conversation with your student about their achievements and involvement in the school.

This production was very professional and I could not experience this in Germany. It was an amazing experience. I had a lot of fun playing the violin together with others and by buddy Arno.
