## WELCOME

Welcome to New Zealand and to Newlands College. We hope you will enjoy your time with us.

This booklet has been especially prepared for International Students who live with host families selected by Newlands College. It will help you to understand how to live with a New Zealand family. **Please read it carefully** and ask for help if you need things explained.

All information should also be read by students staying with Designated Caregivers.

## THE CODE: EDUCATION (PASTORAL CARE OF TERTIARY AND INTERNATIONAL LEARNERS) CODE OF PRACTICE

Newlands College strictly observes the Code by the Ministry of Education, administered by NZQA. This Code ensures that you will be well looked after at our school.

## PEOPLE TO HELP YOU

- **THE HOMESTAY COORDINATORS ARE MRS MEGAN GILL (MS MEGAN) and MRS DONNA YEE (MS DONNA)**  
They will look after your Homestay arrangements, support you and try to help you. They will meet with you regularly, and talk to your Homestay to see if there are any concerns. Please come to see them in the mornings at school if you need help.
- **YOUR HOST FAMILY.** They will be interested in your daily life.
- **THE DEAN OF INTERNATIONAL STUDENTS IS MS SACHA WALLER**  
She will look after your academic programme and school matters.
- **THE ELL TEACHERS (ELL: English Language Learners. Also known as ESOL: English for Speakers of Other Languages)**  
Most of you will see them most days especially to begin with.
- **THE DEPUTY PRINCIPAL for International Students**  
Ms Deb Mills is the Senior Leader for the International students.

## ARRIVING IN A NEW COUNTRY – NEW HOME AND NEW SCHOOL

## ENGLISH LANGUAGE

When you first arrive you may forget most of your English. This is normal. You may not understand what people are saying. Do not worry – this will improve. You could try to write things down or use an electronic translator. If people speak too quickly, you could politely ask them to slow down.

## TIREDNESS AND HOMESICKNESS

It is normal to feel tired when you first get to New Zealand. The climate and food are different, the customs are different, and you must work all day in a new language. This makes you tired.

Do not worry about this. It will get better.

**Do not have long afternoon sleeps or you will not sleep well at night.**

Homesickness is natural, too. You will miss your home and everything you know. The worst time is usually during the winter. You will feel better when the weather gets warmer. If you feel very homesick, talk to your host family. Talk to the ELL(ESOL) teachers or the Homestay Coordinator. They all understand and will help you.

## YOUR HOMESTAY

International students must live in a Newlands College Homestay or with a Designated Caregiver. These have been carefully selected, and are visited twice a year by a school representative. You cannot change these living arrangements by yourself.

Your Homestay will be happy if you keep to these rules:

- Be part of your host family. Be friendly and join in family activities. They will treat you the same way as you treat them. Communication is very important to build good relationships.
- Always be honest with your homestays so they can trust you at all times.
- Respect the home - it is not a hotel. Personal and private property of your family is not your property. Always ask before you borrow or use anything that is not yours.
- People in New Zealand do not have servants and they have busy lives. Boys and girls in New Zealand have family tasks to do to help such as washing the dishes, setting the table, taking the dog for a walk. You should help too, so you feel part of the family. Try to do your job cheerfully. Your host family will be pleased.
- Ask permission to go out and always tell your family where you are going. They will tell you what time you need to be home. Your family will worry about you just as they worry about their own children. If you must be late, telephone or text your family to tell them.
- Tell your family if you will not be home for dinner, or for lunch on the weekends. You must give at least three hours' notice. They will expect you to be home at the stated time during the school week. **Your safety is very important so you must accept the curfew times set by them. If you ignore these curfews, you will probably be grounded.**
- Make sure you have all contact phone numbers keyed into your phone.
- Some things will be done differently from in your own home in your country. Please listen and follow the advice given by your Homestay.
- Ask for permission to invite friends to your house, before they go there. It is bad manners if you do not do this. Do not speak in your language in front of your

homestay. This is also bad manners.

- Always finish your homework. Homework is important at high school and all students must do homework.
- The more you speak in English, the better your English will be. Talk with your family. You and your family can learn from each other.
- **Try to talk about any concerns or questions you may have with your Homestay family as soon as they arise** - they would like you to do this. Problems are usually easily fixed by discussing them. If there are any big problems about your Homestay, talk to the Homestay Coordinator. Remember to be honest.
- If your Homestay takes you somewhere or does extra things for you, please take the time to say 'thank you.' They will like that.

## **MEAL TIMES**

A New Zealand family usually eats meals together when possible. Some foods may be very different from in your country but please try all meals as this can be fun and interesting.

### **Breakfast**

At breakfast, most family members get their own food at a time to suit themselves. You need to get up early enough to eat breakfast so you can concentrate properly at school.

### **Lunch**

Most New Zealand students take lunches to school. Many New Zealand students eat sandwiches, fruit, vegetables or yoghurt. Tell your family what you like and what you don't like. You may be asked to make your own. You can buy food at school but you should bring lunch from home. Do not waste your lunch by throwing it away. Microwave ovens are available in the Pavilion for reheating food.

### **After School Snacks**

You will probably want to have something to eat when you get home after school. Ask your family what to eat. The choice might include noodles, fruit, biscuits and other foods, but you will be expected to eat the evening meal.

### **Dinner**

You should always eat the evening meal with your family. Do not go into your bedroom to eat.

## **IF YOU ARE NOT GIVEN ENOUGH FOOD, PLEASE TELL THE HOMESTAY COORDINATOR.**

### **Meal Time Customs**

Many New Zealand families talk at the table. They talk about what they did during the day or interesting things they have seen. They will talk to you too. Talk back to them. They are interested in you.

At the table, we pass food bowls to each other. New Zealanders do not take everything on a plate when there are other people who want some, too. Ask someone to pass the salt or sauce or salad. Don't just stretch across the table.

Wait until everybody is ready to eat. If your host parents say you can start, then it is all right to eat, but usually we wait and all start to eat at the same time.

In New Zealand we eat quietly. It is not polite to eat noisily. We do not lift our plates close to our mouths - we lift the food on forks or spoons.

We stay at the table until everyone has finished eating.

## **YOUR BEDROOM**

Sometimes you will need quiet time in your room to do your homework, but please do not spend all your time in your bedroom. Instead, talk to your family and your English will improve. Families are disappointed when you avoid communication and spend most of your time in your room. This is not polite.

There are usually no locks on bedroom doors in our country. You may close the door whenever you like. Your room is your place to sleep and study. If there are young children who insist on entering your room, please tell the host parents.

The bed may be different from your country. We sleep between the sheets which we wash regularly. Ask your host mother when to change the sheets and how to make your bed. **You should make your own bed every day and keep your room tidy. Do not take food to your bedroom.**

New Zealand families like to let sunlight and fresh air into bedrooms. We pull back the curtains and open the windows during the day to keep the rooms fresh. This may be different from your country.

### ***Electric Blankets***

Some families use an electric blanket to warm the bed. We turn them on about an hour before we go to bed, then turn them off when we get into bed.

**Do not sleep with the blanket turned on. This is not safe.**

Make sure the electric blanket is turned off during the day, otherwise it can cause a fire. Do not put books or clothes on the bed when your electric blanket is on. If you are not warm enough at night, ask for another blanket or a hot water bottle.

### ***Electric Heaters***

In the winter your host family will provide a heater for your bedroom. You must turn it off when you go to bed or leave the room. If you keep forgetting to turn the heater off, your family may remove it. **Leaving the heater on could cause a fire. It wastes electricity and can be dangerous.**

## **KEEPING WARM**

New Zealand houses are usually much colder than those in your country. You may have central heating at home or your climate may be much warmer. Most New Zealand people prefer to wear a warm sweater rather than turn on a heater. You may need to wear more clothes to keep warm. New Zealand weather is very changeable. It is important to take a warm sweater with you every day, and a coat when it is raining or you may become unwell.

## BATHROOM

In most New Zealand homes, the bathroom is very busy in the morning. Try to be as quick as you can. Do not leave water all over the bathroom or basin top. Ask your host family what is the best time to shower and how to clean up, and where to put your wet towel.

Showering 5 to 10 minutes once a day is usually enough.

Try not to use too much hot water. **Hot water is expensive in New Zealand.** New Zealand houses have a hot water tank. When it is empty there will be no hot water for anyone else.

**You should supply your own personal toiletries like shampoo, soap, toothpaste.**

### *Toilet*

Males: Remember to lift the toilet seat before urinating and **put the seat down after.** Be clean in your habits.

Females: **Do not put pads or tampons down the toilet.** Your host mother will talk about this with you. Please listen carefully and ask questions if you need to.

### *Laundry*

Host parents may wash and dry your clothes for you, including underwear.

Ask them where to put your dirty washing every day, and when to change the sheets on your bed. Clothes need to be washed regularly.

You may have some clothes that you wish to hand wash yourself. Ask your host parent where to do this and where to dry them.

**Remember:** you must not hang wet clothing and underwear in your wardrobe or bedrooms. Dripping water damages carpet and furniture. This upsets your host family.

**Do not put wet clothes on heaters or close to heaters to dry.** This can cause a dangerous house fire.

In summer we dry our underwear and other clothes outside on the clothesline. Please do not be embarrassed to share this custom with us. In winter, a dryer may be used.

## PERSONAL POSSESSIONS

Look after your clothing and valuables and **make sure they are named.** This will help to find items if they are lost at school. Avoid bringing expensive items and cash to school. Do not leave cell phones where they can be taken. If you lose something at school, you should report it to student reception.

### *Money*

Be careful with money and learn to make it last. Keep only small amounts with

you and put the rest in a bank. **NEVER** lend money or borrow money from other people except small amounts in an emergency. **NEVER** tell anyone your PIN number on your bank card or let them see you use it at the ATM machines.

## **ACTIVITIES, OUTINGS, CURFEWS and OVERNIGHT STAYS**

### **Joining a gym**

It is illegal for students under 19 years of age to sign a contract.

If you want to join a gym, you must ask your homestay if they would be prepared to sign the contract on your behalf. But you **MUST** provide your bank account details for a direct debit to be set up.

### **Weekdays**

During the school week, Sunday to Thursday, you should not be out in the evening unless it is a school activity. A regular routine for homework should be set. You will be told what time to be home for dinner. You must be home by that time.

### **Weekends**

On Friday and Saturday evenings older students may be allowed out later, but you must ask permission. You must give a contact number and address and tell your hosts where you are going and who you will be with. A cell phone number is not enough. Your host family will set a time for you to be home by, according to your age and maturity. You must keep to this time for your own safety. **You must not break curfews.**

**IT IS NOT SAFE IN THE CENTRAL CITY LATE AT NIGHT ON THE WEEKENDS ESPECIALLY. NEVER TRAVEL IN THE DARK ON YOUR OWN.**

### **Overnight Stays**

These can only be by prior arrangement. **There must be discussion with the host parents first.** If you are in any doubt, please check with the Homestay Coordinator. You must tell your host parents, the phone number, name and address of where you will be staying. **They must phone that number to check arrangements or you will not be allowed to go.**

**IF YOU STAY OUT ALL NIGHT WITHOUT YOUR HOST FAMILY'S PERMISSION. YOU ARE LIKELY TO BE SENT HOME. THIS IS CONSIDERED GROSS MISCONDUCT AND YOUR HOST FAMILY HAS TO INFORM THE HOMESTAY COORDINATOR.**

**IF YOU DO NOT FOLLOW THE RULES IN YOUR HOMESTAY, YOU WILL RECEIVE VERBAL AND/OR WRITTEN WARNINGS AND YOUR PARENTS AND AGENTS WILL BE NOTIFIED. THE SCHOOL MAY THEN REFUSE TO HOMESTAY YOU.**

## TRAVEL

### Travel Away from Wellington

You may wish to travel to other cities or towns during your stay at Newlands College, to experience the beautiful scenery or to visit friends. Some students need to go home for the holidays then return. Before you do this you must get permission from the Homestay Coordinator **AT LEAST TWO WEEKS AHEAD OF TRAVEL**. They will then arrange to get permission from your natural parents.

**Students under the age of 18 may only travel away if they:**

1. Travel with their host family
2. Go directly to their destination and then stay with another approved host family or relatives. The Homestay Coordinator and your host family must be given ALL details. Your host parent(s) will need to make direct contact with the nominated family before permission will be granted. **The school reserves the right to refuse the travel if it is considered inappropriate or is unsafe.**
3. Join one of the organised and supervised tours recommended by Newlands College, or their agent. (See Homestay Coordinator for information.)
4. Are visiting their natural parents in their own country

**If a student is over 18, the same rules apply but in special circumstances consideration may be given based on the appropriateness of travel and accommodation arrangements.**

### Staying Beyond the End of Term

Your contract with Newlands College expires on the last day of your schooling at the end of the term. If you choose to stay on in your homestay or travel **in New Zealand** after that date, you will still have to abide by the rules of the homestay and the College, or your organisation or parent(s) until you leave the country. If you wish to travel **outside New Zealand**, your visa will be terminated as soon as you leave New Zealand. The school cannot take responsibility for your welfare. Agents and parents will be notified of your plans. If you do not return home and go flatting, the school will not take responsibility for you.

In all cases, a full travel itinerary must be provided, complete with all dates, method of travel and contact names and numbers. Permission form and Transfer of Care forms will have to be filled out. **PLEASE PLAN WELL AHEAD.** You should not travel alone if possible.

### Financial Arrangements for Students Going Away During the Year

During the school holidays, if you travel away for 5 or more nights, your host family has been asked to consider a refund of 50% of the weekly payment directly to you to help with your travel costs. **PLEASE DISCUSS THIS WITH THEM WELL BEFORE YOU TRAVEL. REFUNDS WON'T BE GIVEN AFTERWARDS.** Trips away under 5 nights do not qualify for a refund.

**Any term time taken out of school does not qualify for a refund.**

## **Family Outings**

Sometimes your host family may invite you to go on an outing or away with them in the holidays. You should accept as you will experience different New Zealand activities and meet new people. New Zealanders are proud of their country. It is beautiful and mostly very clean. They will expect you to respect that.

If your family goes somewhere that involves expenses, for example, a zoo or movie. You will probably need to pay your share. This may be different from your own country where a host may pay for everything. If you go with them on holiday you may be asked to share some of the costs. You need to discuss this. You must be financially independent.

## **ALCOHOL, SMOKING/VAPING, AND PARTIES**

Regardless of your age, you must not keep or drink alcohol or smoke cigarette/vape in your Homestay or at school. **It is illegal to buy and consume alcohol, cigarettes/vapes in NZ if you are under 18 years old.** If you enter a bar under age, your visa may be cancelled by Immigration.

It is the host's decision as to whether social parties are acceptable, and we request that you check arrangements before you get permission. Your host family must check all details with the parents hosting the event. There must be an adult in the house. Students should not go out alone, and you should be home by the time stated by your host family. **YOU SHOULD NOT DRINK ALCOHOL** even if you are 18 or over while studying at Newlands College.

## **MOBILE PHONE USE**

It is important to talk to your host family about this. Do not make calls very late at night. This can keep the family awake and you need to get enough sleep also.

If you make calls on your mobile phone late at night you may be asked to give your phone to your Homestay before you go to bed.

Do not use your phone during meal times – that is not polite.

In an emergency, such as fire, serious illness or accident the emergency number in New Zealand is **111**. This is a free number.

### **Making International Calls**

It is anticipated that the majority of calls will be made through your chosen free social networking application e.g. WhatsApp, FaceTime, Messenger, WeChat etc. But if you make INTERNATIONAL phone calls using the host family's phone (not application), then you must pay the fare their phone company charges.

**Try not to phone or online chat to your family too often.** This makes it hard for you to settle into homestay. Your parents will feel sad if you complain about changes in your life and they will worry unnecessarily.

## INTERNET USE

All homestays have been asked to provide you with UNLIMITED INTERNET and without any additional cost to you. However, there will be guidelines for all students and homestays to follow:

- Years 9 & 10            –    Sunday to Thursday: up to 9.30 pm**
- Years 11,12 & 13    –    Sunday to Thursday: up to 10.30 pm**

Homestays have been asked to monitor these times. If you have a complaint, speak to your Homestay Coordinator.

Do not view or download any inappropriate or illegal material e.g. pornography, hate posts, or dark web materials. This is not acceptable in New Zealand households. Your homestay is entitled to check your history of sites visited.

## DOWNLOADING COPYRIGHT MATERIAL ON THE INTERNET

**This is ILLEGAL and there will be a heavy fine if detected. The household internet could be disconnected for a long time by the government, and your host family will not be happy.**

## TRANSPORT

Trains and buses go from Johnsonville to Wellington. You will need a GREEN STUDENT SNAPPER CARD. These can be purchased from various outlets. Please make sure you register your card. It must be renewed on line every year for students 16 years and over. You need to provide proof that you are a College student so you will need to scan your College ID letter or card. You need to swipe your card when you get ON and OFF. Refer to [www.snapper.co.nz](http://www.snapper.co.nz) for all information.

### **Motorised vehicles**

International students are not allowed to own or drive a car or a motorised vehicle while they are enrolled at Newlands College.

You must not travel in a car unless the driver has the correct license. It is best to check first. The driving laws are very strict in New Zealand. **If you are in a car with a person who is not fully licensed, you will not be covered by insurance if you suffer in an accident and need medical care.**

It is illegal for people under 20 to drink and drive in NZ.

## CULTURAL DIFFERENCES

### **Family Disagreement**

Some New Zealand families argue when they disagree. We are often direct when we are angry and we think it is okay to express anger. This can be embarrassing but try to remember this is normal for our country. Children are taught to stand up for themselves and to defend their ideas.

Students must however accept the authority and rules of host families.

## Teenage Disagreements

New Zealand teenagers can be very assertive. They often argue loudly and strongly with their parents when there is a disagreement. You may find this unusual. However, young people are not always being rude. They are being independent.

It is hard to learn what this means in New Zealand. **Do not copy behaviour that you do not understand.**

## Other Cultural Differences

Many New Zealand families hug and touch each other very freely. They often show affection in public and around the home. If they touch your arm or put their arm around your shoulder, they are showing they care about you.

New Zealanders like to look at people's eyes when they talk to them. We see this as honest and polite. Please try to be friendly to all host family members as this makes it easier to get along together.

New Zealand women and men have more equality than in many countries. **It is important to show respect to New Zealand women including your host mother.** We do not like insults to girls and women.

## FRIENDSHIPS

### **INTERNATIONAL STUDENTS SHOULD NOT FORM A ROMANTIC RELATIONSHIP.**

Homestays cannot be expected to take on this responsibility. No student is allowed to visit the Homestay of a student of the opposite sex when the parents are not at home. No student can stay at the Homestay of another student if they are of the opposite sex.

Try to have friendships with many students. Please tell the Homestay Coordinator or Dean if you are being pressured or harassed by a member of the opposite sex. Text or cyber bullying should be reported to the Dean, immediately.

It is not acceptable to get into fights. You will be punished if you do. Find a teacher immediately if there is trouble. They will help you.

Try not to be shy. When you go to class, sit with another local student. Make an effort to talk, even if it is a simple "Hello" or conversation about the weather. The friendlier you are, the easier it is to build friendships.

## DOCUMENTS, RETURN/TRAVEL DATES, VISAS

### **Home Country Address and Contact Details**

It is important that the school has up-to-date and accurate information on the address(es), telephones, mobiles, and email(s) of your parent(s).

Students must advise any change of address to the Homestay Coordinator and the school office.

## Returning Home for Term 4 Holiday Period

You must tell the Homestay Coordinator and your Homestay family your return travel dates **at least three weeks before you go** as Homestay payments are made in advance. If you delay you may have to cover these costs. Tell the school and your homestay, the dates/flight details of your return to NZ well in advance. They may be able to meet you at the airport when you return.

We expect all students to return to their home country for the long summer break, after their course has been completed each year.

## Students Returning to the Same Homestay

Your host family may hold your room for you without charge over the holidays, but they may wish to use it for any guests staying. Please pack your personal and valuable items into boxes and ask your host family where they can store them for you.

## Visa

The Homestay Coordinator will arrange renewal of visas for College homestay students when necessary. As soon as this process begins, students must check that all tuition fees have been paid in full to the school. You must have enough money to pay for Homestay for one year also, plus extra spending money and money in your account for your return ticket to your home country. It can take two months to prepare and process a visa application so plan ahead. You must leave New Zealand or re-enter before the visa expiry date.

## Insurance

International students **MUST** have their own medical and travel insurance. The school will arrange this for you or your agent may have organised this.

If you have to visit the doctor or purchase medicines, you will need to pay immediately. **KEEP YOUR RECEIPTS** so you can then make a claim. **Please ask the doctor to give you the medical notes for any visit. The insurance company requires these.** If you are insured by the College, bring these to the Homestay Coordinator and they will assist you. Payment can be made into your bank account or through the school bank account if you are insured by the College.

Dental visits are not covered in your policy.

## AT SCHOOL

### Standards of Behaviour

The same values apply in the Homestay as at school.

**Any students involved in serious misconduct such as drug taking will be considered for permanent exclusion and sent back to their home country immediately, without any refund of fees.**

Newlands College wants you to be safe and happy, as well as polite, honest and fair to others. If you have any concerns, or think that a person is being unkind to you, you must tell the Dean, Homestay Coordinator, or a staff member. Most worries are easily solved.

## Electronic Devices and Mobile Phone Use

Internet is available at school for the students. This will be organised on the day of enrolment. Cell phones are not to be used by students during school time under the new Government Policy introduced in May 2024. There may be exceptions for students wishing to use their phone for translating purposes during class time. You must ask your teacher if you are able to use your phone to help you translate. You cannot use your phone without your teacher's permission.

## School Lockers

When you start school, you may request for a school locker free of charge for storing books and sports gear. You will be given a key, which must be returned when you leave the College. If you lose your key, you will have to pay for a new one. Do not keep anything valuable in your locker, e.g. laptop, mobile phone, jewellery or money.

## School Nurse

Newlands College have a school nurse on site during school hours. They are able to prescribe medication and treat some conditions. Appointments maybe necessary.

## SCHOOL ACTIVITIES

Every International Student should join in one or more school activity like music or sports.

Discuss possible activities with the Dean or the Homestay Coordinator or your teachers. Playing sport or joining groups like the choir or orchestra, are good ways to make new friends, and to get involved in school life. **Ask for help to find where to go for the activity you are interested in.**

The school has a fulltime Director of Sport who will be able to discuss your sporting interests with you.

Remember that many sports are seasonal and only played in certain months of the year. You could try a different sport for a new experience. A sports booklet which contains all details of seasons and enrolment can be downloaded online.

## TIMETABLE AND KAMAR

## **Homework**

You can expect to be set regular homework as part of the learning process. You are encouraged to use a digital diary or a conventional homework diary to help in organisation and forward planning, and to help develop as independent learners. If you are having difficulties with any homework you should discuss this with your subject teachers. Your Form Teacher or Dean will also be able to help with ways to manage homework.

You need to complete homework in a suitable place, and have a regular routine of 'homework time'.

## **ALTERNATIVE PROGRAMME FOR STUDENTS NOT SITTING NCEA EXAMS**

### **NCEA Examinations**

All long term senior students are encouraged to take a full part in our New Zealand qualifications system. For most subjects this includes some national examinations which are held every year in November/December. Students should not make arrangements to leave the country until after their final exam.

Students who do not have to take the national examinations are provided by the school with an alternative programme up to two weeks while the examinations are in progress. They should not plan to leave the country for home before that programme is completed.

## **FREQUENTLY ASKED QUESTIONS**

Below are the most frequently asked questions by students starting secondary school.

Find the answers by asking the ambassadors, your ELL(ESOL) teacher or your Form Teacher:

1. What do I do if I'm sick and cannot come to school?
2. What do I do if I have an appointment during school hours?
3. What do I do if I'm feeling sick or have an accident at school?

## **AGREEMENTS AND CONTRACTS**

You can view and download information on the Newlands College website, or you can contact us at [overseasdean@newlands.school.nz](mailto:overseasdean@newlands.school.nz).

# **Code of Conduct**

## **(Schedule One)**

Newlands College endeavours to give special care and attention to all our International Students and to encourage them to reach their full potential. We need to have an assurance of support by the student's parents or caregivers and the promise of the students willingness to comply with the rules and standards of the school and the community to ensure the well being of all concerned.

A high standard of behaviour is required at all times. If a student does not comply with the Newlands College Safety Statement and Code of Conduct, the College reserves the right to stand down or exclude the student. No refund of fees will be made.

### ***Newlands College Safety Statement***

For the smooth and efficient running of the college a code of behaviour is required. This is not designed to restrict individual students unduly, but to form a culture and a climate in the college based on self-responsibility and care. The best rule is, "to have respect for oneself and other".

- You must not bring to school anything that is harmful to yourself or to others. These include alcohol, cigarettes, lighters, drugs, knives, sharp instruments, guns or solvents.
- You must behave in a way that is appropriate. We do not tolerate fighting, verbal, physical or electronic abuse. This includes posting comments on social networking sites outside of school that may cause problems inside the school.

If you do any of these things there will be serious consequences and disciplinary action will be taken. This action may include - verbal warning, daily report, detentions, written warning, stand down from school, suspension.

If anybody does any of these things to you, you must not deal with it yourself. You must report it to your Form Teacher, your Dean or the International Student Director and we will sort it out for you.

In addition to the above Newlands College Safety statement, the laws of New Zealand apply in relation to illegal drugs, alcohol, and sexual activity.

Students enrolled at Newlands College are also required to:

### ***Attendance***

- Attend all classes and maintain at least 95% attendance. If a student does not attend regularly the parent/guardian will be notified and a student may have their enrolment cancelled. In this case, Immigration will be notified.
- Leave, other than compassionate or medical, must be applied for in writing to the International Student Director. Such leave should be seen as an exception.

### ***Travel***

If a student wishes to travel in New Zealand or overseas during the holidays, permission will be granted at the discretion of the school. Students will need to seek permission well in advance and parental permission must be granted before the school will allow a student to travel outside of the school area. If permission is granted it is on the understanding that the school will not take responsibility for the student when they are outside of our school/homestay environs.

### ***Accommodation***

All students must live in school approved accommodation.

To keep safe, all students must respect and obey all rules of accommodation including curfews set, and this will be based on factors such as your:

- Age
- Co-curricular schedule
- School activities

### ***Motor Vehicles***

A student may not own or drive a motor vehicle or motor bike.

### ***Uniform and Dress Code***

Students are required to wear their uniform correctly; with respect and pride.

### ***Other***

A student may not get married.

## **Disciplinary Policy**

(Schedule Two)

1. **The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.**

### **Overview**

2. **Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.**
3. **In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.**
4. **In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.**
5. **The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (the Allegation) and any proposed disciplinary action that the School is considering taking (the Proposed Action).**
6. **This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.**
7. **This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.**

### **General Policy**

8. **When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student with the following:**
  - (a) **a written summary of the Allegation or the Proposed Action;**
  - (b) **an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;**
  - (c) **an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;**
  - (d) **an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;**
  - (d) **an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;**
  - (e) **an opportunity to meet with that support person in private at any stage during the disciplinary process;**
  - (f) **an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and**
  - (g) **a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.**

## **Disciplinary Procedure**

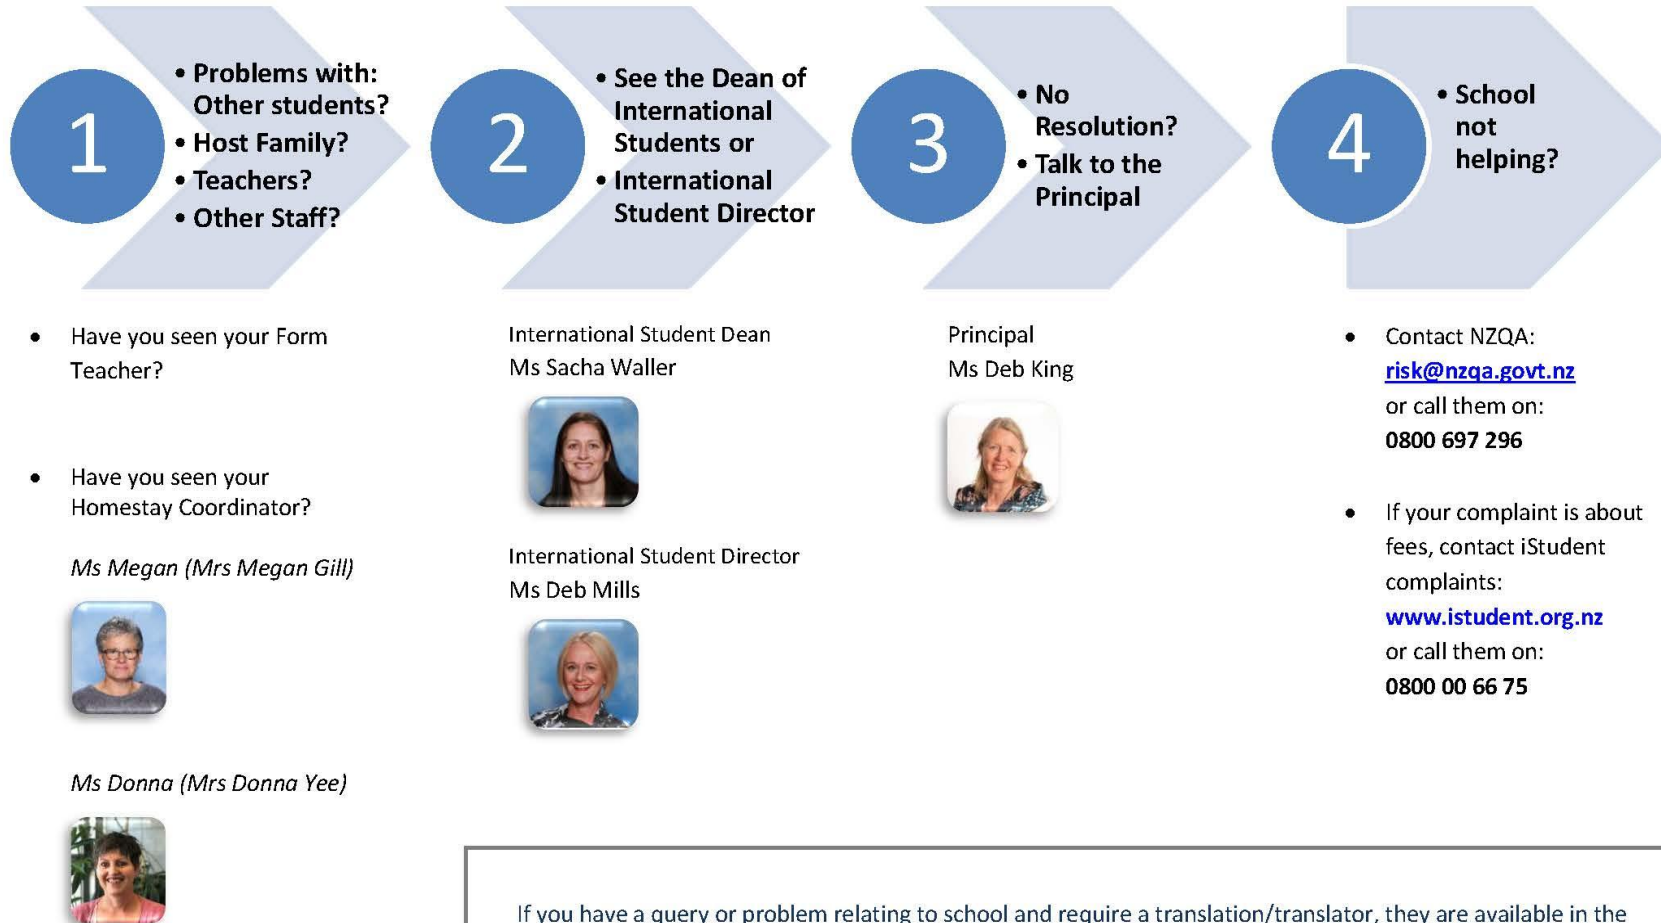

### **Stage One: Incident Investigation**

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

### **Stage Two: Outcome Discussion**

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.

If you have a query or problem relating to school and require a translation/translator, they are available in the following languages with others available on request:
