Welcome from Ms Deb Mills Deputy Principal International Student Director

A Successful Conclusion to Term 4

Term 4 has successfully blended academic focus with celebration. Our students diligently completed internal assessments, portfolios, and external examinations, and are very well positioned to achieve excellent results this year. We were delighted to recognize many of these successes at our recent celebration evenings, formal assemblies, and prize-giving events.

I extend my sincere gratitude to our Homestay families for their continued outstanding support and guidance this year.

We wish a fond farewell to all departing students who are returning home or pursuing further education in New Zealand. We wish you every success in your future endeavors and encourage you to please keep in touch.

Finally, I wish you all a very happy and safe holiday season and look forward to connecting with you in the new year.

A Word from Seongbin Moon, International Student Representative

As this year comes to an end, I want to sincerely thank our international community for the energy and resilience you've brought to our school. Serving as your International Student Representative has been an honour, and I've loved seeing students from so many countries connect, support one another, and make this place feel like home. I'd also like to give a special thank you to Ms Mills, our International Director, and Ms Waller, our International Dean, for their constant support and dedication to our international students. Their guidance has made a huge difference, and I'm grateful for the encouragement they've shown me throughout the year. Whether you joined us for the first time this year or have been here for a while, your presence has shaped our school in meaningful ways. I hope the events and initiatives we've shared have helped you feel welcomed and valued. Wishing you all a restful break and an exciting year ahead, thank you for making this role so rewarding!
